MURDER MYSTERY.

A Crime That Has the Police of Berlin, Germany, Completely Baffled.

Speed to the Courthouse
BERLIN, Jan. 2.—More than a score of clues have been followed up by the Berlin police in connection with the mysterious murder of Herr Max Lehmann, but none of them has proved successful. The crime is one of the most mysterious that has taken place here in years.

Herr Lehmann, the victim was a bachelor of considerable means, who in addition to other speculations, lent money at low rates of interest to small tradesmen. He lived alone in a flat of his own cooking and was very reserved in his ways. He had lived in London several years spoke fluent English and was well known to the American and English colonies in Berlin.

Lehmann's landlord having seen nothing of his lodger for more than a week, reported the matter to the police, feeling that something was wrong. The door was broken open and Lehmann's body was discovered in a pool of blood. Next to his head was an overturned chair. The head man skull was fractured and his chest had a bullet wound in his chest besides deep gashes in his face and neck. The walls were bespattered with blood and everything indicated that a terrible struggle had taken place. Near the body was a newspaper. The authorities concluded that the murder was committed while the man was reading. It is suspected that the motive was robbery, but owing to the fact that the victim had never taken any one in his confidence in regard to his business or financial affairs it has been found impossible to definitely determine the cause of the tragedy. The dead man's papers and correspondence were found apparently untouched.

RELIEVES IN FIVE MINUTES.

Help Comes Quickly When Hyomel is Used for Catarrh.

The quick relief that comes from the Hyomel treatment for catarrh is most remarkable. Put a few drops of liquid Hyomel in the little pocket in the back of your throat and before you know it you will notice relief from your catarrhal troubles.

It gives a tonic like effect to the system, breaks up all catarrhal secretions, soothes the inflamed mucous membrane and makes a marked improvement in the general health.

Hyomel is not a cure all. It has but one aim, the cure of catarrh and the relief of the organs when the catarrh is cured the general health is improved for then nature has a chance to build up the whole system.

If you suffer from offensive breath, hoarseness, frequent sneezing, husky voice, discharge from the nose, difficulty in swallowing, loss of strength, nervous coughing and feeling of tightness across the upper part of the chest, general weakness and debility in any of the symptoms of catarrh you should begin to use Hyomel at once. It will destroy all disease germs in the nose, throat and lungs and make a quick and permanent cure of catarrh. So strong is A. A. Clark's belief in the power of Hyomel to cure all catarrhal troubles that with every \$1.00 bottle he gives a guarantee to refund the money unless the remedy gives satisfaction.

Help! Help! Help!

Nothing very serious the matter—don't get excited—but your HELP is needed.

Every man, every woman and every child can HELP. This town needs our HELP.

It is a good town but every good citizen wants to see it become a better town. But unless the good citizens stand by the town, lend a hand, put a shoulder to the wheel or get in front and pull, without balking, there won't be any noticeable progress.

Towns are not Topias. No town "just grows." It's the people in a town and around it who make it grow by feeding it the right sort of diet.

A pig in a poke won't get fat. Nor will a town with its light hidden under a bushel attract attention from outside.

Unless you throw corn into a lean shaft the animal never will become a fat porker. It is just as necessary to feel a town and community with fresh material from the outside world.

It is up to you and each of us to get out and forage for the town. Speak a good word for it. Write a good letter for it. To you the place where you live is the most important place in the world. It is the best place in the world. It is the center of the world. The universe revolves around it.

This being so—and you can't deny it—why not HELP advertise the center of the universe? Why not tell your friends and acquaintances elsewhere what they are missing by living away from the real center?

Talk has built up many a town—ever town, in fact. Talk can build up this town. You can't talk too much if you talk right.

P. S.—HELP! HELP! HELP!

ANNUAL RECEPTION.

Scottdale Y. M. C. A. Holds Very Large One on New Year's Evening.

MILL WHISTLE FOR FIRE ALARM

Two Serious Accidents—Two Parties to Hold Suggestion Meetings Tonight—Truant Officer Has Trouble in Upper Tyrone Township.

SCOTSDALE, Jan. 2.—The annual reception at the Y. M. C. A., held on New Year's night, was the largest one ever held at the rooms. They were crowded all evening and an interesting program was carried out. "The Country's Calendar of Fame" was shown in a series of tableaux, given by representatives of the various Sunday schools. The musical program was in charge of Mrs. C. F. Kelly and Mrs. A. C. Schiller and consisted of a number of well rendered selections. The Ladies' Auxiliary served the refreshments. From 3 to 5 o'clock in the afternoon the Auxiliary held a reception for the Junior Department at which refreshments were served, and exercises were given in the gymnasium.

The fire whistle used as a fire alarm has not yet been changed from the furnace boilers to those of the American Sheet & Tin Plate Company, where the alarm will be located while the new furnace is being rebuilt. In the meantime, the fire alarms, if any, will be blown on the mill whistle. Both telephones have been placed in the mill company's boiler rooms, and the whistle there will be the fire alarm until the big sheet is placed on the mill.

The Republicans of the Second ward will hold a suggestion meeting this evening at 7:30 in the Second ward home house. The Democrats of the First ward will hold their suggestion meeting at the borough building this evening at 7:30.

Clayton Torrence, of the Loucks Hardware Company, was the victim of a serious accident Friday, which may render him a cripple. In some way the elevator shaft was left open and Torrence stepped into it, falling a distance of about 16 feet, alighting on his knees and fracturing one of his knee caps.

A little son of Arthur Keister pulled a pan of boiling water off the stove and spilled it over himself Tuesday, scalding himself seriously about the shoulders and one arm.

Thomas H. Rutherford, the newsdealer and agent for The Courier, gave his thirty annual dinner to his neighbors on New Year's evening. The dinner was as usual held in the dining room of Dennis DeHaven's restaurant, and three big tables were set for an oyster supper and all the good things that delight a hungry, healthy boy. There was a great time, the 32 neighbors enjoying themselves hugely during the evening, and voting their best entertainer in town. Besides Mr. Rutherford and Justice Simpson, his right hand man in the store, there were guests present from the newspapers.

James Wiltrout, the truant officer of Upper Tyrone township, has been instructed by the School Board to come down on all truants. The Board intends to break up the practice even if it lands a large number of children in the Reform School. Officer Wiltrout was given the names of 17 truants to look after this morning. In one family there were seven children who play hook.

Representative John S. Carroll of Uniontown spent part of New Year's day with his friends and fellow legislators, Berkeley H. Boyd.

Mr. and Mrs. Walter Anderson of East Liverpool, O., have returned home after a visit with the former's mother, Mrs. D. G. Anderson.

TEST CASES.

Franklin Citizens Sue Water Company There for Causing Typhoid Fever in Their Families.

FRANKLIN, Pa., Jan. 2.—(Special.) Two suits were instituted yesterday against the Venango Water Company by Rev. Dr. Maurice Penfold Fikas, pastor of the First Baptist church, and James B. Forland, editor and manager of the Franklin Evening News. They allege recent typhoid fever germs in the water supply. The amount of damages to be asked has not been determined, but will be sufficient to cover the charges of physicians and nurses and other expenses, as well as remuneration for physical and mental distress.

These are test cases, and if they prove successful more than fifty others will commence an action to annul the charter of the water company, arrangements having been made before Attorney General Todd.

W. C. T. U. Meeting. The Young Women's Christian Temperance Union of South Connelleville will meet Friday evening at the home of Miss Whitfield Bugard, Pittsburg street.

TAFT'S HOME STATE.

First Presidential Skirmish Expected in Ohio This Afternoon. COLUMBUS, O., Jan. 2.—(Special.) The first skirmish in the fight between Secretary Taft and Senator Foraker to get the Ohio endorsement is expected to come this afternoon when the members of the Republican State Committee got together at the Neil House for the purpose of selecting the time and place for holding the State Convention and the method for choosing delegates.

If the Taft influence prevails, it is likely that the State Convention will be held before the middle of February in order that the Ohio endorsement will have its full effect on the convention in other States, nearly all of which will be held later. It is believed that inasmuch as both Taft and Foraker have indicated a preference for the district primary plan of electing the State delegates, it will be adopted.

ADVANCED PRICES

Are Now Scheduled, According to a Pittsburg Report in Many Dried Fruits.

PITTSBURG, Jan. 2.—(Special.)—More advances in food prices are to take place this year, and commencing yesterday grocers are to demand from 3 to 5 cents a pound additional for all kinds of dried fruits that they usually carry in stock.

The notice that all dried fruit prices would advance came as a surprise to many. Dried fruits, like canned goods, had been the bulwark of the people when all other table supplies went soaring upward last year. They were in heavy demand and filled in a large hole that had been left by the inability of the small wage earner to enjoy more appetizing foods, because of their increased cost.

The only reason given by grocers who have the circulators is that fruit crops were small last year and stocks are low and hence the prices must go up. A sample of the change is in the price of apricots, a favorite in many homes, and which will cost 5 cents a pound more after yesterday. Many of the grocers say that they will not carry them at the advanced price, as they could not sell them. Dried apples, dried peaches, dried peaches and all other dried goods are to be lifted up at the same rate.

MEAGRE IDENTIFICATION.

Victims of Holdups Not Positive of Their Man.

Dr. J. L. Cochran of Star Junction and several men who were held up and robbed near Star Junction last Saturday night, were in Uniontown yesterday afternoon to have a look at John Russell, who was arrested, charged with complicity in the holdups. All said that Russell resembled the thug, but they would not positively identify him.

Russell's hearing is fixed for tomorrow a week. An old charge of pointing firearms at Smock, entered a year ago, is held against Russell and an effort will be made to hold him on that.

A hearing in the cases of the two men arrested charged with robbing the aged Yager couple last week will be held on Tuesday afternoon.

CARROLL APPOINTED

Referee in Bankruptcy by Judge Ewing to Succeed Judge J. Q. Van Swearingen.

Announcement was made yesterday of the appointment of Attorney J. G. Carroll to be referee in bankruptcy for Fayette county. The appointment was made by Judge National Bell of the United States District Court for the Western District of Pennsylvania.

J. Q. Van Swearingen, Esq., was the former referee in bankruptcy for Fayette county, but another had to be appointed upon his election to the bench. Judge Van Swearingen discharged the duties of referee to the satisfaction of the bar and the court ever since the present bankruptcy law went into effect.

Mr. Carroll was born in Wharton township. He is a member of an old and respected family of Fayette county. Though still a young man, he has been a member of the bar since 1893.

ALLEGED DYNAMITER HELD.

Three Men Accused of Trying to Wreck "The Bummer" Jailed.

The three men accused of trying to dynamite the "Bummer," a Pennsylvania night club, at Woods Run, on the Monongahela division of the P. R. R. at 2 A. M. last Saturday, were taken to Washington, the county seat, where they were given a hearing Tuesday and jailed for court in default of \$500 bail.

They are well known in that section and are about 30 or 35 years old. On Sunday they were arrested by Officer George Markler and others and Detective Henderson assisting in landing them. Their names are Earl Garner, who has confessed, saying, it is claimed, that he did it to hear what a noise it would make. By his confession he implicates Snyder, Conway and Patrick Carroll, alias "Paddy Wood."

FORTUNE IN STAKES.

Value for Horse Races This Year Will Be Over \$1,000,000.

NEW YORK, Jan. 2.—(Special.)—By agreement entered into for state races for the spring meetings in 1908 at the Gravesend, Brighton Beach and Sheepshead Bay tracks, the closing of the stakes will take place today. At the same time the closing for fall stakes and fixtures for the next two years will be announced. The value of the combined stakes which will be closed exceeds \$1,000,000.

Among the spring stakes are the three great events of the turf, the Brooklyn handicap at Gravesend, the Suburban at Sheepshead Bay, and the Brighton Beach. It has been decided to raise the value of the Brooklyn handicap and the Suburban to equal them of equal value with the Brighton handicap, \$25,000.

ANTI-NARCOTIC LEGION

Give An Entertainment Tuesday Evening at Sniderstown.

The anti-narcotic entertainment given Tuesday evening by the Sniderstown Loyal Temperance Legion was a success in every way, and was well received by friends of the Legion. The members performed their parts well and did credit to the themselves and teachers.

The essays on "Tobacco" and "Cigarettes," read by James Ryland and Ross Showman, deserved special mention and would do credit to boys their seniors. The Legion work is under the direction of Mrs. Alice H. McCoy and Miss Agnes E. Hutchinson, who deserve praise for their devoted and efficient work with the children.

The doctor said grief was the direct cause of death. White was 27 years old. Mrs. White and child are said to be in Wilkensburg.

GOOD HOUSES

Greatest Rosabelle Leslie Company
Yesterday—A Girl's Good
Name Tonight.

Two large audiences filled the New Soisson Theatre yesterday to see Rosabelle Leslie and her splendid company in "The Gypsy Girl." The acting, staging and entire production was adequate in the minutest detail, while Miss Leslie was particularly charming as Daisy, the Gypsy Queen. "A Girl's Good Name," which is announced for matinee and night today, is one of those home-like domestic dramas, the principal scenes of which are laid in New England. The story is founded upon the efforts of rival troupe lines to secure a sight of way through the property of the heroine's father, and is said to present some very novel as well as unique situations. Both parties arrive at the disputed point at the same time, and when the last roll is about to be set that will give the right of way to the opponent of the hero, the heroine jumps into the net and retains her position until the hero has proven his claim and succeeded in establishing his rights.

As the play was written especially for Miss Leslie, she will be seen in one of her strongest roles. Local amateur performers desiring to participate in the contest which is to be held Friday evening, are requested to leave their names at the box office as early as possible. The prizes to be awarded are \$2, \$2 and \$1.

The Man on the Box.
When Harold McGrath wrote his novel, "The Man on the Box," it is not at all probable that he expected it to be dramatized. The book was not held out before Miss Grace L. Furness was quick to appreciate its dramatic possibilities, and long before the public had ceased talking about the book it was placed upon the stage and quickly developed into the most popular comedy drama that had been offered to New York theatre goers for a long time. It attracted unusual attention at the Madison Square Theatre for a period of almost one year. Walter N. Lawrence will present this play at the New Soisson Theatre on Monday, January 6, with James Lee Finney at the head of the organization.

Too Proud to Beg.
Lincoln J. Carter's plays have many admirers in this city and they will not be disappointed in his production, "Too Proud to Beg," that comes to the Soisson Theatre Tuesday, January 7. The play is mounted with elegant scenery and appropriate costumes and will be greeted by the usual large audience that appreciates that class of plays.

The Girl From Broadway.
"The Girl From Broadway" is an elaborate, pretentious and unique musical comedy, and written upon different lines than the average musical plays, as it has a consistent plot and not a rehearsal of tom-tom-tom, and is enjoying an era of unprecedented patronage for a new attraction. It comes direct from its New York success to the New Soisson Theatre, Wednesday, January 8.
